Our meeting with Roger on Tues Oct. 6th will be in DU 127 from 6pm to 8pm. I have secured 4 overheads, 2 projectors, 3 screens, and a sufficient amount of TV and VCRs. Likewise, the keychains are all cut out however, they ALL need to be "deburred". I've spent about 4 hours on it and got a quarter of the way done. If anyone is interested in helping send me a message. I think that covers my bases for now.
